

GEAR UP College Day Scholarship Fact Sheet Academic Year 2015-16

Description

Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP) is a federal program designed to provide early intervention services and programs to students in middle school and high school. The mission of GEAR UP is to significantly increase the number of low-income students who are prepared to enter and succeed in postsecondary education. **GEAR UP/COLLEGE DAY (GUCD)** targets low-income students in the state of Michigan and provides them with support services to increase opportunities to succeed during higher education at Michigan's postsecondary institutions.

Application

Each participating GUCD partner provided a rank order list of nominees from the classes of 2011 and 2012 who participated in the program. Student Scholarships and Grants (SSG) awarded scholarships to the highest ranked nominees based on the amount of scholarship funds available. **The student is responsible for notifying SSG of a change of address or college choice.**

Program Limits

Students may receive scholarship assistance for up to five academic years to be completed within six years of high school graduation. The maximum award amount a student can receive is **\$5,550** per year for full-time enrollment; less than full-time enrollment is prorated. GUCD funds may be used for educational costs, including Estimated Family Contribution (EFC); but not to exceed the cost of attendance. Future awards are subject to available and approved funds.

- Possession of a high school diploma or its recognized equivalent.
- Enrollment at a postsecondary institution prior to age 22.
